

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. HISTORY OF THE ILLINOIS SOCIETY.

On the 13th day of October, 1894, Messrs. Seymour Morris, John Smith Sargent and William Ruggles Tucker, received from the Secretary of State, at Springfield, Illinois, a charter to organize the "Society of Colonial Wars in the State of Illinois." A petition signed by sixteen gentlemen was sent to the General Society of Colonial Wars, in New York City, for the purpose of organizing a Society in Illinois. On Nov. 12, 1894, this petition was granted by the General Society, and the following gentlemen licensed to organize: Messrs. Seymour Morris, Capt. Philip Reade, U. S. A., Lieut. John T. Thompson, U. S. A., William Ruggles Tucker, John Smith Sargent, Lyman Dresser Hammond, Edward McKinstry Teall, George Francis Bissell, Frederick Hampden Winston, Edward Milton Adams, Charles Cromwell, Rodman Corse Pell, Samuel Eberly Gross, Henry Sherman Boutell, Josiah Lewis Lombard and Robert Patterson Benedict.

Messrs. Morris, Sargent and Tucker, as the three incorporators, called a meeting of the charter members at Parlor 23, Grand Pacific Hotel, Chicago, on Saturday afternoon, Dec. 7, 1894, at four o'clock, for the purpose of adopting a constitution and by-laws, election of officers and the perfection of the organization of the Society. The following gentlemen were present:—Messrs. Teall, Sargent, Winston, Bissell, Boutell, Cromwell, Lombard, Reade, Hammond, Gross, Pell and Morris.

SOCIETY OF COLONIAL WARS

The following officers were chosen:—Governor, Capt. Philip Reade; Deputy-Governor, Edward M. Teall; Lieutenant-Governor, Frederick H. Winston; Secretary, Seymour Morris; Treasurer, Lyman D. Hammond; Registrar, John S. Sargent; Historian, Henry S. Boutell; Gentlemen of the Council, Rodman C. Pell, Charles Cromwell, Samuel E. Gross; Committee on Membership, Edward M. Teall, Edward M. Adams and Seymour Morris.

Messrs. George F. Bissell, Rodman C. Pell and Lieut. John T. Thompson were appointed as a Committee on Entertainment.

December 19, 1894, the 219th anniversary of the Great Swamp Fight, the Society gave their first banquet at the Union League Club.

At the May Court, Mr. Boutell's resignation as Historian was accepted and Mr. Adams elected in his place.

Rev. James Gibson Johnson was elected Chaplain and Judge Frank Baker chosen Chancellor.

The Society sent a delegate to the unveiling of the monument erected by the General Society at Louisville on June 17, 1895.

On June 6, 1895 the Society held a Banquet at the Hotel Metropole.

The Society has held four business Courts, one Special and two General Courts.

The Council has met eight times and elected to membership 75 applicants; four of whom have failed to qualify (two of said four having resigned), and death has claimed our most esteemed friend and member, Mr. George Francis Bissell.

The present active membership is seventy.

CONSTITUTION AND BY-LAWS

OF THE

ILLINOIS SOCIETY.

PREAMBLE.

Whereas, It is desirable that there should be adequate celebrations commemorative of the events of Colonial History happening from the settlement of Jamestown, Va., May 13, 1607, to the battle of Lexington, April 19, 1775;

Therefore, The Society of Colonial Wars has been instituted to perpetuate the memory of those events, and of the men who, in military, naval, and civil positions of high trust and responsibility, by their acts of counsel, assisted in the establishment, defense, and preservation of the American Colonies, and were in truth the founders of this nation. With this end in view it seeks to collect and preserve manuscripts, rolls, relics, and records; to provide suitable commemorations or memorials relating to the American colonial period, and to inspire in its members the fraternal and patriotic spirit of their forefathers, and in the community, respect and reverence for those whose public services made our freedom and unity possible.

SECTION I.

NAME OF THE SOCIETY.

The Society shall be known by the name, style, and title of "SOCIETY OF COLONIAL WARS IN THE STATE OF ILLINOIS."

SECTION II.

OFFICERS.

The officers of the Society shall be a Governor, a Deputy-Governor, a Lieutenant-Governor, a Secretary, a Deputy-Secretary, a Treasurer, a Registrar, a Historian, a Surgeon, a Chancellor, and a Chaplain; these, except the Chaplain, Chancellor, Surgeon and Deputy-Secretary, shall be *ex-officio* members and constitute the Council, with three other members elected for that purpose and chosen annually.

The officers and members of the Council and Committee on Membership shall be elected at the General Court by ballot. A plurality of the votes cast for each officer shall determine a choice thereof, and said officers and members of the Council and Committee on Membership shall hold office for the period of one year, or until their successors shall be duly elected and qualified.

SECTION III.

INITIATION FEES, DUES.

The initiation fee shall be ten dollars; the annual dues ten dollars, payable on or before the first of January of each year.

The payment at one time of fifty dollars shall exempt the member so paying from annual dues; or the payment at any one time, by a charter member, of thirty dollars, shall exempt said charter member so paying from annual dues.

SECTION IV.

GOVERNOR.

The Governor, or in his absence the Deputy-Governor, or Lieutenant-Governor, or Chairman *pro tem.*, shall preside at all Courts of the Society, and shall exercise the duties of a presiding officer under parliamentary rules, subject to an appeal to the Society. The Governor shall be a member *ex-officio* of all committees except the Nominating Committee and Committee on Membership.

He shall have power to convene the Council at his discretion, or upon the written request of two members of the Council, or upon the like request of five members of the Society.

SECTION V.

SECRETARY.

The Secretary shall conduct the general correspondence of the Society, and keep a record thereof. He shall notify all elected candidates of their admission, and perform such other duties as the Society or his office may require. He shall have charge of the seal, certificates of incorporation, by-laws, historical and other documents and records of the Society other than those required to be deposited with the Registrar, and shall affix the seal to all properly authenticated certificates of membership and transmit the same to the members to whom they may be issued. He shall notify the Registrar of all admissions to membership. He shall certify all acts of the Society, and when required authenticate them under seal. He shall have charge of printing and publications issued by the Society. He shall give due notice of the time and place of the holding of all Courts of the Society and of the

Council, and shall incorporate in said notice the names of all applicants for membership, to be voted on at said Council, and shall be present at the same. He shall keep fair and accurate records of all the proceedings and orders of the Society and of the Council, and shall give notice to each officer who may be affected by them of all votes, resolutions, and proceedings of the Society or of the Council, and at the General Court or oftener shall report the names of those candidates who have been admitted to membership and those whose resignations have been accepted, and of those members who have been expelled for cause or for failure to substantiate claim of descent. In his absence from any meeting the Deputy-Secretary shall act, or a Secretary *pro tem.* may be designated therefor.

SECTION VI.

TREASURER.

The Treasurer shall collect and keep the funds and securities of the Society, and as often as those funds shall amount to one hundred dollars, they shall be deposited in some bank in the city of Chicago, which shall be designated by the Council, to the credit of the Society of Colonial Wars in the State of Illinois, and such funds shall be drawn thence on the checks of the Treasurer for the purpose of the Society only. Out of these funds he shall pay such sums only as may be ordered by the Society or Council or his office may require. He shall keep a true account of his receipts and payments, and at each annual meeting render the same to the Society. For the faithful performance of his duty he may be required to give such security as the Society may deem proper.

SECTION VII.**REGISTRAR.**

The Registrar shall receive from the Secretary and file all the proofs upon which membership has been granted, with a list of all diplomas countersigned by him, and all documents which the Society may obtain; and he, under the direction of the Council, shall make copies of such papers as the owners may not be willing to leave in the keeping of the Society.

SECTION VIII.**HISTORIAN.**

The Historian shall keep a detailed record of all historical and commemoration celebrations of the Society, and he shall edit and prepare for publication such historical addresses, papers, and other documents as the Society may see fit to publish; also a necrological list of each year, with biographies of deceased members.

SECTION IX.**CHAPLAIN.**

The Chaplain shall be an ordained minister of a Christian Church, and it shall be his duty to officiate when called upon by the proper officers.

SECTION X.**CHANCELLOR.**

The Chancellor shall be a lawyer duly admitted to the bar, and it shall be his duty to give legal opinion on matters affecting the Society when called upon by the proper officers.

SECTION XI.**SURGEON.**

The Surgeon shall be a practicing physician.

SECTION XII.

THE COUNCIL.

The Council shall have the power to call special Courts of the Society and arrange for celebrations by the Society.

The Council shall, prior to every General Court, appoint a committee of three members, exclusive of officers or members of the Council, and their report shall propose the names of candidates for the various offices.

They shall have control and management of the affairs and funds of the Society. They shall perform such duties as shall be prescribed by the Constitution and By-Laws, but they shall at no time be required to take action or contract any debt for which they shall be liable. They may accept the resignation of any member of the Society. They may meet as often as required, or at the call of the Governor. A majority shall be a quorum for the transaction of business; at the General Court they shall submit to the Society a report of their proceedings during the past year. The Council shall have the power to drop from the roll the name of any member of the Society who shall be at least two years in arrears, and shall fail on proper notice to pay the same within sixty days, and on being dropped his membership shall cease; but he may be restored to membership at any time by the Council upon his written application and the payment of all such arrears from the date when he was dropped to the date of his restoration. The Council may suspend any officer for cause, which may be reported to the Society, and action taken on the same within thirty days.

It shall be the duty of the Council to set apart,

from time to time, from the unexpended balance in the treasury, such sum or sums as the financial condition of the Society may warrant, until a sum equal to the total sum realized from life memberships shall have been so set apart.

This sum, so set apart, shall not be used for current expenses, and shall be called the "life membership fund," and may, at the discretion of the Society, be used, or invested by the Council for the Society's permanent benefit.

SECTION XIII.

VACANCIES AND TERMS OF OFFICE.

Whenever an officer of this Society shall die, resign, or neglect to serve, or be suspended, or be unable to perform his duties by reason of absence, sickness, or other cause, and whenever an office shall be vacant which the Society shall not have filled by an election, the Council shall have power to appoint a member to such office *pro tempore*, who shall act in such capacity until the Society shall elect a member to the vacant office, or until the inability due to said cause shall cease; *provided, however*, that the office of Governor or Secretary shall not be filled by the Council when there shall be a Deputy or Lieutenant-Governor, or Deputy-Secretary, to enter on the duties.

The Council may supply vacancies among its members under the same conditions, and should any member other than an officer be absent from three consecutive Councils of the same, his place may be declared vacant by the Council and filled by appointment until an election of a successor.

Subject to these provisions, all officers and gen-

tllemen of the Council shall from the time of election continue in their respective offices until the next General Court, or until their successors are chosen.

SECTION XIV.

RESIGNATION.

No resignation of any member shall become effective unless consented to by the Council.

SECTION XV.

DISQUALIFICATIONS.

No person who may be enrolled as a member of this Society shall be permitted to continue in membership when his proofs of descent or eligibility shall be found to be defective. The Council, after thirty days' notice to such person to substantiate his claim, and upon his failure satisfactorily so to do, may require the Secretary to erase his name from the membership list. The said person shall have a right to appeal to the Society at its next Court, or at the General Court. If the said appeal be sustained by a two-thirds vote of the members present at such Court, the said person's name shall be restored to said membership list.

SECTION XVI.

QUALIFICATIONS FOR MEMBERSHIP.

Any male person above the age of twenty-one years, of good moral character and reputation, shall be eligible to membership in the Society of Colonial Wars, who is lineally descended in the male or female line from an ancestor:

(1) Who served as a military or naval officer, or as a soldier, sailor, or marine, or as a privateersman; under authority of the Colonies which afterwards formed the United States, or in the forces of

Great Britain which participated with those of the said Colonies in any wars in which the said Colonies were engaged, or in which they enrolled men, from the settlement of Jamestown, May 13, 1607, to the battle of Lexington, April 19, 1775; or

(2) Who held office in any of the Colonies between the dates above mentioned, either as

(a) Director-General, Vice-Director-General, in the Colony of New Netherlands;

(b) Governor, Lieutenant or Deputy Governor, Lord Proprietor, in the Colonies of New York, New Jersey, Virginia, Pennsylvania, and Delaware;

(c) Lord Proprietor, Governor, Deputy Governor, in Maryland and the Carolinas;

(d) Governor, Deputy Governor, Governor's Assistant in any of the New England Colonies.

SECTION XVII.

DECLARATION.

Every applicant for membership shall declare upon honor that he has not failed of admission in any other State Society and that he will use his best efforts to promote the purposes of the Society, and will observe the Constitution and By-Laws of the same.

SECTION XVIII.

ADMISSION OF MEMBERS.

Every application for membership shall be made in writing on blanks furnished by the Secretary, subscribed by the applicant, and approved by two members of the Society over their signatures. Applications shall be accompanied by proof of eligibility, and such applications and proofs shall be referred to the Committee on Membership, who shall carefully investigate the same and report at the next

meeting their recommendation thereon. Members shall be elected by ballot at a Council of the Society duly called, but a negative vote of one in five of the ballots cast shall cause the rejection of such candidate. Payment of the initiation fee and dues, and subscription to the declaration contained in the By-Laws of the Society, shall be a prerequisite of membership.

After an application for membership in this Society has been accepted, if the applicant does not, within the period of ninety days after notice has been sent him, pay to the Treasurer of this Society his initiation fee and dues, and subscribe to the Constitution and By-Laws, his name shall be dropped and his application canceled.

SECTION XIX.

COMMITTEE ON MEMBERSHIP.

The Committee on Membership shall consist of three members. They shall be chosen by ballot at the General Court of the Society, and shall be elected for the period of one year. Two members shall constitute a quorum, and a negative vote of one member shall cause an adverse report to the Council on the candidate's application. The proceedings of the Committee shall be secret and confidential; and a candidate who has been rejected by the Council shall be ineligible for membership for a space of one year from date of rejection, except upon the unanimous vote of the Committee.

The Committee shall have power to make By-Laws for its government, and for other purposes not inconsistent with the Constitution or By-Laws of the Society.

SECTION XX.

EXPULSION OR SUSPENSION.

Any member for cause or conduct detrimental or antagonistic to the interest or purposes of the Society, or for just cause, may be suspended or expelled from the Society. But no member shall be expelled or suspended unless written charges be presented against such member to the Council.

The Council shall give reasonable notice of such charges, and afford such member reasonable opportunity to be heard and refute the same. The Council, after hearing such charges, may recommend to the Society the expulsion or suspension of such member, and if the recommendation of the Council be adopted by a majority vote of the members of the Society present at such Court, he shall be so expelled or suspended, and the insignia of said member shall thereupon be returned to the Treasurer of the Society, and his rights therein shall be extinguished or suspended. The Treasurer shall refund to the said member the amount paid for the said insignia.

SECTION XXI.

COURTS.

The General Court of the Society shall be held on the anniversary of the Great Swamp Fight, December 19, 1675.

Special Courts may be called by the Governor at such times as in his opinion the interests of the Society may demand, and must be called by the Secretary on the written request of three members. All notice of meetings shall be sent out at least six days before the date of the meeting.

SECTION XXII.**SERVICE OF NOTICE.**

It shall be the duty of every member to inform the Secretary by written communication of his place of residence and of any change thereof, and of his post-office address. Service of any, under the Constitution or By-Laws, on any member, addressed to his last residence or post-office address, forwarded by mail, shall be efficient service of notice.

SECTION XXIII.**CERTIFICATE OF MEMBERSHIP.**

Members may receive a certificate of membership, which shall be signed by the Governor, Secretary, and Registrar.

SECTION XXIV.**ALTERATION OR AMENDMENT.**

No alteration or amendment of the By-Laws shall be made unless notice shall have been duly given in writing, signed by the member proposing the same, at a Court of the Society.

The Secretary shall send a printed copy of the proposed amendment to the members of the Society, and state the Court at which the same will be voted upon. No amendment or alteration shall be made unless adopted by a two-thirds vote of the members present at the Court voting upon the same.

IN MEMORIAM.

Whereas, God in his providence has removed from our midst George Francis Bissell, a Charter Member of this Society, we desire to express our sincere expressions of regret at our great loss in his death.

Mr. Bissell was born June 22, 1827, and died June 25, 1895, and had resided in this city many years, where, by his strict integrity, he had won for himself the esteem and admiration of his fellow citizens. He was a man of strong religious convictions, being at the time of his death a member and officer in the First Presbyterian Church. He was a man of marked business ability and great decision of character.

Mr. Bissell was No. 8 in the roll of membership in the Society of Colonial Wars in the State of Illinois and will be sadly missed in all our future Counsels.

Resolved, That a copy of these resolutions be spread upon the minutes of this Society and also a suitable page be placed in our year book and the same be placed in the General Societies' year book.

Resolved, That a copy be also furnished the bereaved wife and family of our lamented friend.
